

# GENERAL SALES CONDITIONS 2020 :

## GENERAL:

### THE BOOKING WILL BE DEFINITIVE AFTER ACCEPTING THE GENERAL SALES CONDITIONS AND AFTER WE HAVE RECEIVED A FIRST PAYMENT OF 30% + BOOKING COSTS + (OPTIONAL) CANCELLATION OPTION.

- The definitive decision about the confirmation of a booking is taken by the campsite. You will receive your confirmation document and detailed bill as proof of your booking by email.
- This confirmation is based on acknowledging and respecting the rules of the camping and the General Sales Conditions. Every guest needs to live up to these rules.
- The guests need to confirm their stay by answering the mail they receive from the reception during the booking process. In this confirmation the guest will need to confirm that all of the details are right (dates of stay, number of people...). This needs to be done within 48 hours after receiving this e-mail.
- **ATTENTION:** A booking is FIXED. No money can be refunded and it is not possible to change dates. Any change in dates of stay is considered as a cancellation of the booking. For a new booking no refunds can be given in any circumstances. Therefore, the guest needs to be sure that the chosen dates are the right ones.
- The prices are contractual (except for tourist taxes, which are determined by the community of St. Julien des Landes. For this reason these are subject to change).
- Only the information that has been exchanged when the booking was made can be considered binding.
- **AFTER THE RESERVATION;** If the amount of people does not correspond with the initial amount of people mentioned, there is a added cost: €12 per extra person per night (+ tourist tax if necessary). We refuse access to the camp site to families who arrive with a party that exceeds the capacity of the booked accommodation (this also applies for children and babies).
- Pitches and accommodations are rented on the name of the guest or host of the family and can, in no case, be subrented without permission by the board of the camp site.
- The pitches and accommodations can only be rented to a party that only contains members of the same family.
- We can hold onto booking for 24 hours after the mentioned arrival date. Might this 24 hour threshold be surpassed without any news from the client, the reservation will be automatically cancelled and the amount (sum) of the booking is owed to the campsite by the terms and conditions.
- The definitive allocation is assigned by the campsite and will be shared during the arrival..
  - Except in case of an Early-Booking (see page 2).

In order to optimize our schedule, we reserve the right to change your site number, keeping your preferences in mind.

- Some mistakes could be founded in our brochure. Please verify the prices when you book. Only prices on your detailed bill are contractual.
